

# Early Release Form

The Elk River Graduation Safe Night is an ALL NIGHT event. Students are encouraged to remain at the event for the entire night. If you feel your student needs to leave early, please fill out the section below and turn in *before* the student boards the bus after graduation.

A parent or guardian *must* pick the student up at the Mermaid Entertainment Center (2200 County Highway 10, Mounds View, MN) and come inside the building to sign them out (enter through the Event Entrance at the rear of the building). Once a student is checked out, they will not be allowed to return to the party.
